**Subject:** [External] Dominion Energy - Comment for Docket No. 2023-9-E

My husband and I are Dominion Energy customers living in Beaufort, South Carolina.  
I am writing to urge the Commissioners to schedule public hearings on your long term Integrated Resource Plans.

These plans have enormous impact and importance over many years.  
Our pocketbooks, our health, our safety, and our climate depend on the choices you make.  
Surely this is a matter of critical public interest.

Thank you,  
Andrea Duncan
